# Southern Cross Guest Ranch

---

## Basic Information:

Southern Cross Guest Ranch is a premier year-round guest ranch and horse farm conveniently nestled in Central Georgia's Historic Heartland and within an hours drive from Atlanta. Home to over 200 quality Paint and Quarter horses, the ranch is best known for its exceptional hands-on horseback riding program, unguided riding opportunities, and peaceful, comfortable setting. We welcome you to experience our delightful accommodations, exceptional cuisine, and southern hospitality.

&lt;b&gt;Southern Cross Ranch - a wonderful All-Inclusive vacation in a horse lover's paradise.

&lt;/b&gt;

The All-Inclusive Plan includes horseback riding (twice daily), meals (3x daily), lodging, unlimited nonalcoholic beverages, unlimited snacks and desserts, use of mountain bikes, game room privileges, and access to the DVD library.

Horseback riding is the featured activity at Southern Cross. Horses outnumber guests by more than 7 to 1, so there's sure to be a horse right for you. The climate in Georgia is great for horseback riding year round. The riding program even allows qualified guests the unique opportunity to ride on their own if they desire, but small guided groups are always available. You'll be encouraged to groom and help tack the horses for a true hands-on and bonding experience. Whether you want to ride lazily across beautiful open pastures or trot & canter through lush wooded trails, Southern Cross Ranch can accommodate your needs. If you or a member of your group are not into horseback riding and don't wish to start, there are non-riding plans available with reduced rates.
